

The Secret of the Stars

Player clue card | Observe, describe, and solve together

01 OBSERVE THE SKY

Star brightness ● Very bright ○ Bright ○ Medium

The dashed line divides the central pattern between the two players.

02 SHARE YOUR CLUES

PLAYER A

Left bench | Left half

A very bright star at the top-left.
 A slightly smaller star to its right.
 One star in the middle-left,
 forming part of a horizontal row.
 A star at the bottom-left.

Describe positions, not the name.

PLAYER B

Right bench | Right half

A very bright star at the bottom-right.
 Two stars side by side in the middle,
 forming part of a horizontal row.
 Stars continuing up the right side.
 A smaller star toward the top-right.

Describe positions, not the name.

03 WORK IT OUT TOGETHER

Take turns describing your half without showing your screen.

Compare positions, brightness, and alignment to build the full pattern.

Agree on a constellation name, then enter your answer in the game.

Our answer: _____
