

The Secret of the Stars

A shared reference for Player A and Player B

READ TOGETHER AFTER BOTH BENCH SCANS

Meet near the benches once both clues are open. Describe your stars, then compare both screens and this sheet together. Choose a name from the six candidates below; no candidate is marked as the solution.

PLAYER A | LEFT BENCH

Very bright star top-left; a smaller star to its right; one star in the middle row; one star bottom-left.

PLAYER B | RIGHT BENCH

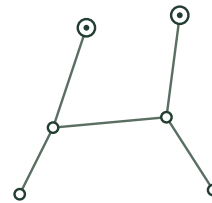

Two stars in the middle row; a very bright star bottom-right; stars going up the right side.

COMPARE POSITIONS, PATTERNS AND BRIGHTNESS

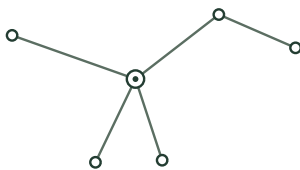

Cassiopeia

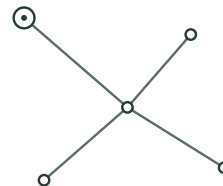

Gemini

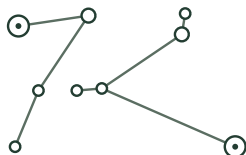

Taurus

Canis Major

Orion

Ursa Minor

Agree on a name, then enter the same English name on each phone.

Larger double-ring stars are brighter. These are stylised comparison diagrams.
